**RE: Docket # 02-00172 – Petition to amend Certificate of Convenience and
Necessity – Request for a letter**

Dear Mr. Waddell:

The developer (Mr. Donnie Cameron) sent a certified letter to David Parker, Director of Engineering for the City of Franklin on January 3, 2002, requesting sewer service. In subsequent meetings with Mr. Parker and Mr. Eddie Woodard, they expressed to Mr. Cameron that the city is not in a position to respond to the request at this time. In addition, they are uncertain as to when they will respond. As a result, we are unable to get a letter from the City of Franklin to send to you at this time.

Sincerely,

**Charles Pickney, Jr.
President**
